Revocation of User Rights

Once an account is over **60 days** past due, delinquent owners and their tenants may be considered for a suspension of their user rights at the monthly Board of Director's meeting. Should the Board vote to suspend user rights to the amenities of the association, such decision will be enforced starting the following day. **Suspension will include shut off owner entry card, (owners and tenants will need to check in at the gatehouse in lieu of using the resident gate), no access to the pool or rec hall. Pool monitors will turn away any residents on the suspension list.** User rights will be reinstated once the account is paid current, or no more than 30 days past due.

This policy was adopted by the Board of Directors of the Clarcona Resort Condominium Association, Inc. this 12th day of May 2020.
